AMENDMENT

MICHELLE M. CARNIAUX  
KENYON & KENYON

SIR:

This paper addresses the Office Action dated  
February 7, 2003. Initially, please amend the above-  
identified application, as set forth below.

RECEIVED

JUN 13 2003

Technology Center 2600

IN THE CLAIMS:

Please amend the claims as follows:

11. (Amended) A method for storing and playing back a  
message via an electrical device, the electrical device  
including a record/read unit for a chip card, the method  
comprising the steps of:

removably receiving the chip card from a user by  
the record/read unit;

inputting acoustically the message via at least  
one of a microphone, a radio receiver and a cassette  
deck;

digitizing the inputted message via a voice  
digitization module;

storing the digitized message in a memory module  
of the chip card removably received by the record/read
